BARRY AND FLORENCE
FRIEDBERG
JEWISH COMMUNITY CENTER

Time: 9:30 AM – 2:00 PM

Audience: New CSE/CPSE Parent Members

This training will provide new, current and those interested in becoming CSE/CPSE Parent members with a better understanding of their role including the function of the Committees, knowledge of basic vocabulary, laws, and regulations, and enhancement of communication skills with other Committee members. **Please note that while the training contains a great deal of excellent information, it is NOT designed to be a general informational session for parents on the CPSE/CSE process. It is focused exclusively on the role of the ADDITIONAL PARENT MEMBER, not the role of the parent of a student with a disability.**

PLEASE NOTE:

We regret that our contracts with the State Department of Education **forbid us from providing food and beverages.** We recommend that you bring beverages/snacks with you for half-day workshops. Full day workshops will have a 45-minute lunch break. For convenience sake and to ensure that workshops begin and end on time, it is suggested that participants bring a bag lunch and beverage.

The Eastern Suffolk BOCES does not discriminate against any employee, student, applicant for employment or candidate for enrollment on the basis of gender, race, color, religion or creed, age, national origin, marital status, disability or any other classification protected by law.
